

**Complete Tool Kits**

We specialize in the manufacture of Complete Tool Kits with Matco tools including custom manufactured foam and laser etching.

We are proud to be the exclusive commercial and aerospace distributors of Matco tools in the Western United States.

**Tool Vending Solutions**

We are distributors of Autocrib tool vending solutions, and full line distributors of machine and consumable tooling

We offer Vendor Managed Inventory services as well as vending solutions tailored to your application. We carry consumables ranging from cutters to drill bits as well as holders and machine tools themselves.

**Custom Manufactured Tooling**

Special tools manufactured to your specifications

Your local manufactured tools can be made in our state of the art ISO:9001 and AS9100 certified facility according to your specifications.

**Navair Compliant Tool Kits and Pouches**

Navair tool kits manufactured in accordance with the tool control manual

We are the only manufacturer in the world to build tool kits in compliance with each aircraft tool control manual. This includes our patented products such as our exclusive shadowed white box inserts.

**Tool Control Foam**

Rigid foam tool control trays

Rigid tool control trays are nearly indestructible and can be designed on site with our customers.

**Storage Solutions and the EZ Move mobile aisle**

Complete storage solutions provider.

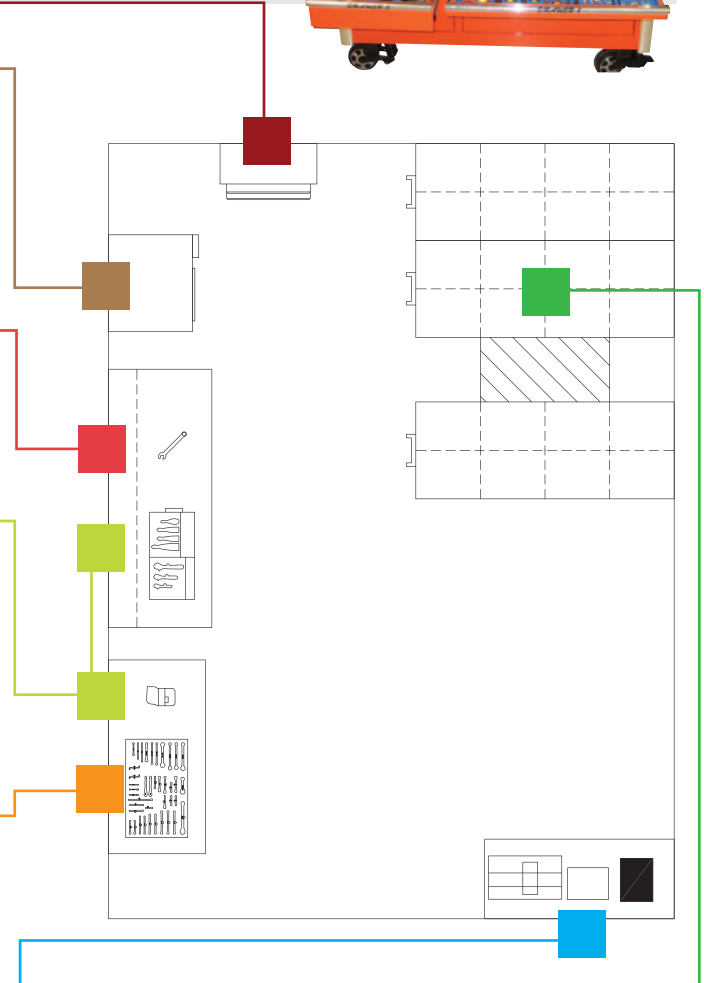

We custom tailor the perfect solution for your storage application, whether it's a mobile aisle system, Matco workbenches and cabinets, or a mezzanine; we can help!

**Laser Etching and Part Marking**

Complete part marking and labeling solutions

We are government and commercial distributors of RMI lasers, and can help with all your marking needs including UID labels.
